### **Frye Announces Linda Vista Mobile Home Park Removed from List of City Properties for Sale**

**San Diego, CA-** Today, City Councilmember Donna Frye announced that the Linda Vista Mobile Home Park has been removed from the initial list of city properties being considered for sale. Frye met with James Waring, Deputy Chief of Land Use and Economic Development and expressed the many concerns being raised by the residents about the process.

Frye said, “The residents were rightly concerned and I am pleased that Mr. Waring agreed to examine all the facts. We are committed to working together to ensure a balanced process that serves the public.”

In an e-mail to Councilmember Frye, Waring agreed, stating that, “As a matter of policy and out of fairness to residents, in the future we will not place multiple tenant properties on the possible sale list until we’ve fully informed the tenants, listened to their issues and decide if the sale is the best public policy.”

Donna Frye is the City Councilmember for the Sixth Council District of the City of San Diego, which includes the communities of Clairemont, Kearny Mesa, Linda Vista, Mission Bay, Mission Valley and Serra Mesa. She has served on the City Council representing District Six since 2001. She is currently the chair of the City Council’s Natural Resources and Culture committee.
